

Oakwood Los Angeles

Say Goodbye to Cramped Student Living!

Oakwood's fully furnished apartment homes are the perfect solution for your temporary stay in Los Angeles while attending the All About FACE Makeup Academy. We offer flexible lease terms and have a variety of options available for every budget. Many of our locations are also pet-friendly.

Oakwood's locations in the Downtown Los Angeles area are all within 2 miles of All About FACE and include all furnishings, pots, pans, dishes, linens, TVs with digital cable, high speed internet, local telephone service, and all utilities.

At Oakwood Toluca Hills, we offer both fully and partially furnished options. The fully furnished option is the same as in our Downtown locations. However, a partially furnished option is also available for those looking to save more on housing and includes furnishings, cable service, wireless internet, and all utilities. While Oakwood Toluca Hills is not within walking distance of the All About FACE Makeup Academy, it is within a short commute and accessible via public transportation.
